

MULTICLIP

MULTICLIP 50 RENTAL

Stiga Multiclip 50 Rental

A lawnmower with the effective Multiclip system.

The Multiclip system cuts and fertilises the lawn. It also makes the lawnmower quieter. You don't need to rake or empty a collector. You cut the grass about 30 % faster compared to collecting.

Equipped with the new STIGA RM 45 engine that has a genuine float carburettor, which makes it extremely easy to start. And a balanced crankshaft that gives lower vibrations and a longer life.

This comfortable lawnmower is very well equipped with a sturdy galvanised deck, double ball bearing wheels, adjustable handle for cutting close to walls, central height adjustment and a friction blade holder that protects the engine if you hit solid objects. The unique Anti Vibration System gives very low vibrations in the handle.

Cutting width is 48 cm.
